

## FOUR RUNS MADE IN FIRST INNING

**Puns Defeat Kaahumanu 6-1  
In Exciting Ball  
Game.**

Runs were made in bunches at Punahou field yesterday afternoon, when the Puns and Kaahumanu crossed bats in their game of the Grammar School League play, and when it was all over the Puns had won out 6-1.

It was in the first inning of the game that the Puns did their work, and in that inning no less than four men crossed the plate, which helped out the total score considerably.

In the fourth the Puns got one man over, and in the fifth another, while it was in the sixth that the Kaahumanu scored their only run.

The youngsters were out in force to root for their team, and they did make some noise when the Puns registered four runs in the first inning of the contest.

This lead of the Puns put the excitement at fever heat, and for the entire game the boys did not get over their cheering streak which struck them in this inning.

The boys in the Grammar League are putting up good ball, and what they lack in experience and cool-headedness they more than make up in enthusiasm, so that it is a pleasure to watch them on the diamond.

Larimer, who has had charge of the league, left for the Coast, and now Pitts is looking after the interests of the boys who play in the league games.

The lineup, score, hits and errors are as follows:

Kaahumanu—J. Roschill, c.; Miki, 1b.; Kijiro, 2b.; Tui En, ss.; J. Y. Ting, 3b.; Ah Yin, cf.; Sada, p.; W. Lee, lf.; W. Roschill, 3b.

Punahou—McStocker, cf.; Sai Kee, rf.; Kong Tai, 3b.; Kin Wai, 2b.; Kwai Foon, p.; Kwai Shoon, 1b.; Wadsworth, c.; Quinlan, ss.; Thompson, lf.

Hits—Kaahumanu 2, Punahou 5. Errors—Kaahumanu 4, Punahou 3. Score: Kaahumanu.....0 0 0 0 1 0 0—1. Punahou.....4 0 0 1 1 0 0—5. Two-base hits—McStocker and Kong Tai.

It was thought for several days that there would be difficulty in arranging the deciding game in the Kalihi-Y. M. C. A. basketball series, as Kalihi held out against Palama gym, a neutral floor, for some time as the scene of the contest. Details have now been arranged and the game comes off Monday night.

The way the hikers are taking up the tickets for the first inter-island excursion, which is scheduled for Maui, promises well for these trips. One hundred tickets were to be sold, and all but five have already been spoken for. The trip should be the start for many others in succeeding months.

Kaoo will not run in any evening events, because he wants to see the ground he is running over, and so it must be daylight for him. The old man always runs barefooted, and he is afraid of glass or other foreign substances on the track when he can not see the ground well.

Finding that there are few aspirants for mat honors in Honolulu at the present time, John Froelicher has given up the idea of a tournament at the Park Theater for the present. It may be taken up again later.

Monday night Winkler and his associates will open the evening sport events at Athletic Park, the main attraction being the Japanese wrestlers. Other events of lesser importance will be on the program also.

The Kams have two more games to play in the regular schedule—one Monday with Punahou and on Tuesday with McKinley High School.

## "MAYORESS" COUNTED OUT

HUNNEWELL, Kas., April 7.—Mrs. Ella Wilson, "mayorress" of this city, today is counted out and the voters who elected her are very, very peevish. On a recount of the votes the city council finally declared C. M. Ackers elected. Mrs. Wilson will contest.

The recount was ordered following a demand by Ackers' campaign managers. Her majority at the election according to the first count had been very slight.

"Of course I shall contest the election," Mrs. Wilson declared with spirit today. "I think I was fairly elected and I shall demand my rights."

"I know that I can run this town and run it right, and I don't propose to back down merely because someone else wants the job."

## AMERICA BOY SCOUTS AHEAD

**Chief Scout Tells of His Observations During English Visit.**

Ernest Thompson Seton, Chief Scout of the Boy Scouts of America, who recently returned from a visit to the Boy Scouts of Great Britain, has written a letter to the Boys of the United States. He praises the boys of America and says that the American boys are in many ways superior to the British Scouts. He writes that the American boys are specially skilled in all matters pertaining to camping out, while the English boys are better disciplined.

Mr. Seton suggests that a troop of the finest Boy Scouts of America be sent to England soon to show the American attainments in scouting, and that a British troop be sent over here.

This question is now being considered by the Executive Board, and should such an exchange of international courtesies be decided upon, much care will be taken in selecting the troop to go to England.

The following is Mr. Seton's letter: Cos Cob, Conn., April 6, 1911.

To the Boy Scouts:

Last week I returned to this land of sunshine after spending a couple of months in our motherland. One of my objects in going there was to compare notes with the British Scouts. Sir Robert Baden-Powell, the Chief, gave a luncheon to enable the American visitor to meet those who were active in British scouting and we had many important ideas and experiences to exchange.

Their chief trouble is much the same as ours, namely, the scarcity of good scout masters. But our American Scouts are ahead in many ways as well as in numbers. I found, for example, that our boys are far more skillful in everything that pertains to camping out. This is doubtless a matter of climate and opportunity. I found, on the other hand, that the English boys were better disciplined.

Another thing that struck me was that the American boys seemed to have greater lung power than the English lads. The English boys do not give their yells with the same enthusiasm and power that the American boys do. I like especially this expression of enthusiasm among the American boys.

It is proposed that we send one of our finest troops over there in the near future to demonstrate our methods, and our cousins will be invited to send one of theirs over here. Such an interchange of visits would doubtless be of immense advantage to both organizations.

Faithfully yours,  
(Signed) Ernest Thompson Seton, Chief Scout.

WORK PROGRESSING  
ON NEW MANUALS

The work on the two new manuals to be issued by the Boy Scouts of America is going on rapidly and will, in a few weeks, be in the hands of the printers. It is hoped to have them ready by June 1. Among the men who are writing them are Dr. George J. Fisher of the International Y. M. C. A.; Major Charles Lynch, Medical Director of the American Red Cross; Ernest Thompson Seton, Chief Scout of the Boy Scouts of America; Arthur A. Carey of Waltham, Mass.; Waldo M. Sherman, H. W. Gibson, Secretary of the Boys' Work of Massachusetts and Rhode Island; John L. Alexander, who has been actively interested in boys' work for many years, and James E. West, Executive Secretary of the Boy Scouts of America. The various chapters are being read and approved by the editorial board, consisting of Wm. D. Murray, George D. Pratt and A. A. Jameson.

Yesterday afternoon the Puns and Kams second teams in the triangular league played a warm baseball game on the Kani field, the result being 16-2 in favor of Punahou. It was the last inning which did the business, for then the Kams had a balloon ascension, during which the Puns made thirteen runs. Fifteen hits were made off Kinaleu, the Kam pitcher, and three hits were made off Baldwin. It was sure some game.

Healant smoker tonight, and the talent to appear on the program for entertainment promises a jolly evening.

## GAMES PROMISE WELL TOMORROW

**New Players Admitted to Oahu League and Lineup of Teams for Game.**

The first game in the Oahu League series tomorrow afternoon at the Athletic Park will be between Hawaii and Japanese, and as this is the first time these two teams have come together during the season, the result of the game will be interesting.

For the second attraction the Stars and Portuguese teams will cross bats, and this should be a close game also.

The teams in the league this year are so evenly matched at the start that good ball is assured all through the season, and the fans are not going to be disappointed at any time while the series is on.

With such teams as the four now in the league, the stand and bleachers at Athletic Park should be crowded every Sunday for the time the series is on.

Last evening there was a meeting of the Oahu League, and at that time several more players were signed on—A. Desha, Hyman Raphael and Eddie Noah for the Hawaii, and Bert Bower, Cordeiro, Duke Miller and Nick Hopili for the Stars.

It was also decided that the umpires should be furnished with uniforms, and with all the teams and the officials in uniform, the games will take on a natty appearance.

For tomorrow the lineup of the teams will be:

J. A. C.—Britto-Hoopli, c.; Kealoha-Espindola, p.; Akana, 1b.; Franco, 2b.; Chillingworth, ss.; Ross, 3b.; Zerbe, rf.; Walker, cf.; Ah Sam, lf.

Hawaii—Thomas-Raphael, c.; Lota-A. Desha, p.; Dreier, 1b.; Hamauku, 2b.; Kuaili, ss.; Markham, 3b.; Rice, rf.; W. Desha, cf.; D. Desha, lf.

Portuguese—Soares, c.; Pedro, p.; Joseph, 1b.; Bushnell, 2b.; Freitas, ss.; Souza, 3b.; Olmos, rf.; Maderia, cf.; Ornelas, lf.

Stars—Hayes-Williams, p.; Fernandez, 1b.; Ah Tui, 2b.; Kan Yen, ss.; Ah Tin, 3b.; Sumner, rf.; Sing Hun, cf.; R. Chillingworth, lf.

## PERCY HUNTER WANTS THE OLYMPIAD

The athletic enthusiasts of the Hands-Around-the-Pacific Club are anxious to grapple with Percy Hunter on his arrival here on the 23rd.

Like every Australian, Hunter is a sport promoter. While in Honolulu he discussed with some of his Australian friends here the plans for a Polynesian olympiad of Polynesian sports, to be held every few years, the first to be pulled off in Honolulu three years hence.

The plans are elaborate and it will take several years to arrange for the playing of the native teams from every part of the Pacific, but Hunter believes it can be done.

Announcements are out for the twenty-fourth annual championship tournament of the Pacific States Tennis Association. The event will be contested on the new courts at Santa Cruz from June 19 to 25, inclusive.

The program will be made up of men's and women's singles and doubles, mixed doubles and junior singles and doubles. The famous Sutton sisters will be among the contestants, as will Maurice McLaughlin and Melville Long.

Healant smoker tonight at the club house promises to be the most successful yet held by the club. Preparations have been made for entertaining a large number of guests and the boys are going to do themselves proud in entertaining.

Play in President's Cup at Oahu Country Club links is on today and tomorrow. The tournament is on the second Saturday and Sunday of each month during the time Walter Dillingham is president of the club.

BUFFALO, N. Y., May 1.—Tom Longboat, the Canadian Indian, defeated Gustav Ljungstrom of Sweden in a fifteen-mile race here yesterday. The time was 1 hour 17 minutes and 46 seconds.

The Kalihi Girls' Basketball team is anxious to take on a team from Maui and challenge the girls' team at Wailuku for a match to be played on the evenings of July 3 and 4.

The polo players are getting their mounts into shape, now and some green ponies are being worked out. Punahou field is the place where the work-outs are going on at present, there being one on this afternoon.

## HITCH COMES OVER LAST GAME

**Dispute as to Where Kalihi-Y. M. C. A. Final Struggle Shall Be in Basketball.**

There was a hitch in the Y. M. C. A.—Kalihi basketball series but Palama gym has now been selected. There was an understanding before the series began that if each team should win one game out of three or two games each out of five that the third or fifth game would be played on a neutral floor, the Palama floor being named at that time as agreeable to both teams, providing that the Palama floor could be secured.

Kalihi objected for a time to the Palama floor on the grounds that Nott of the Y. M. C. A. team is well acquainted with the floor. That should not prevent the last game from being played there as Zerbe of Kalihi has played on the Palama team and has done a great deal of practicing on that floor before joining the Kalihi team, therefore it ought to be an even standoff between the two teams.

The Palama basketball backstops are identical as the Kalihi and the side lines resemble the Y. M. C. A.

Why some of the Kalihi players wished to play on the Fort Shafter floor is hard to explain. In the first place the Fort Shafter floor has no accommodations for spectators, except that they stand on the side lines which is against all rules of the game. Second, Fort Shafter is much smaller than the Palama floor. Third, Fort Shafter is not anywhere near as convenient for the public.

Palama has a gallery for spectators and twenty feet each side of the side boundary lines outside of which spectators could be placed instead of right up against the boundary line as at Fort Shafter.

Monday night the final game will be played.

Scores of the past games of the series:

Kalihi 31, Y. M. C. A. 19, at Kalihi. Kalihi 7, Y. M. C. A. 25, at Y. M. C. A.

Kalihi 27, Y. M. C. A. 12, at Kalihi. Kalihi 17, Y. M. C. A. 35, at Y. M. C. A.

## DAN BEARD PRAISES THE EARLY SCOUTS

Daniel C. Beard, National Scout Commissioner of the Boy Scouts of America, who is a favorite among boys, has this to say about the heroes of the Old World and of the New: "I would cut off the Old World idea of heroes. We have established a new brand of heroes, the old pig-skin heroes, who taught the world scouting, because they were up against the finest set of savages God ever created. The wild Indians scalped us and made men of us and taught us how to behave ourselves. A tenderfoot who went out West in the old days did not live long at all, and the passing minute man soon decorated the wigwam of the Indian. It was the man on the job who had all his faculties all the time that lived. Such a man was Daniel Boone, Simon Kenton and Davy Crockett. All of them were gentlemen, and what is more, they were all moral men. Daniel Boone never used a vulgar or profane expression in his life. The old pig-skin hunter never took a life willingly or if he could help it. He was a man with a mission; they were all men inspired with a mission. Any one of them would have won a place in the university football team. They would all have made good strokes in the eight-oared shells. They were all good men, and from their descendants we are filling the halls of Congress and the Senate today with the best men we have got. They are leading in finance, they are leading in the professions from the energy derived from those pioneers. Those are the men I want to be the heroes of our boys, but not the Jack Sheppard or the Jessie James type we have in our country, not Robin Hood, the robber, and Three-Fingered Jack. We want to make our scouts men, and mostly men of mind, men of civility, men who can do things and be things."

## OPENING CRUISE HELD BY FIVE YACHT CLUBS

Five yacht clubs got under way in the opening cruise of the season, April 29. The Corinthian, California, San Francisco, Aeolian and Enchanted fleets were all seen out on the bay. Not for many years has there been such a number of the pleasure craft on the bay waters. It was literally alive with them.

The San Francisco and Corinthian clubs exchanged courtesies during the day. In the morning the Tiburon tugs went over to Sausalito and fired salutes which were answered from the wharf of the San Francisco club. In the afternoon the San Francisco club fleet sailed over to Tiburon and the same ceremonies were gone through again.

The weather was ideal for yachting. There was a splendid breeze on the bay and the cruise was a most enjoyable one. The yachtsmen entertained a large number of their friends aboard the different craft.

According to cable advices from the Coast, Mason and Walker, the two aviators to show here, will arrive on the Honolulu, which will leave on this port June 3. Jack Scully is promoting the flights of these men while they are in the Territory before they sail for Australia.

The basketball game between the girls from Kalihi and those from Wailuku should prove a great contest and awaken much interest in the sport.
